

FOR IMMEDIATE RELEASE:

“Thank You Mother” Expressed to a Mom in a Wheelchair

NORTH CAROLINA, Jan.11.2012 – Wheelchair Cushion Sage will say “Thank You Mother” to a mom by giving her a free wheelchair cushion in May 2012.

The "Thank You Mother" project began in 2010 when a member of Wheelchair Cushion Sage wanted to anonymously convey some tangible form of kindness to a particular family whose mother requires the use of a wheelchair. It was from the original wanting-to-convey-kindness motivation that the "Thank You Mother" cushion give-away was born.

The "Thank You Mother" recipient can choose any size of any model of any brand of wheelchair cushion listed on the Wheelchair Cushion Sage website (www.WheelchairCushionSage.com).

Only dynamic cushions – cushions that are electrically powered – are excluded.

To be qualified as the potential recipient of the free cushion the mother must:

- (1) require the use of a wheelchair and
- (2) be the mother of at least one child–biological or adopted.

The mother need not have used or required the use of a wheelchair at the time her children were born or adopted.

Women wanting to be considered as the 2012 "Thank You Mother" free cushion recipient may enter by posting their preferred cushion type on the Wheelchair Cushion Sage Facebook page. Optionally, an email with the mother’s name, preferred cushion type, and phone number may be sent to dir@WheelchairCushionSage.com .
